

SUPPLY LIST for Brenda J. Clark Workshop

Portable Painting Easel. Recommend a vertical Winsor & Newton Aluminum Bristol Easel. Or, a portable fold-up chair (without arm rests) works great for propping a painting board and using as an easel. Or, feel free to bring any other portable easel you prefer. Please make sure it will hold the 22" x 30" size of paper.

Chair. Standing to paint will be encouraged, but you are welcome to sit.

Arches 300 lb. Paper (22" x 30"). 5 - 7 sheets. Hot press (smooth).

Painting Board. Keep it portable. Wood panel, drawing clip board or any other drawing art board. It needs to comfortably allow you to secure a 22" x 30" piece of paper to it. Foam core tends to blow away or be unstable.

Acrylic Heavy Body Paints. Color selection will be comprised mainly of any yellows, blues, reds and white. Brand ideas: Golden, Winsor-Newton or Utrecht (or bring what you have available). Tubes of paint preferred over jars if possible. Please avoid purchasing "Studio Series" acrylic – it has a more liquified result and takes longer to dry.

Preferred Acrylic Paint Colors:

1. (Yellows – purchase at least one): Yellow Ochre, Cadmium Yellow Medium, Primary Yellow
2. (Blues – purchase at least one): Primary Cyan, Cerulean Blue, Ultramarine Blue
3. Cadmium Red Medium
4. Cadmium Light Red
5. Magenta or Quinacridone Magenta
6. Cadmium Orange
7. Dioxazine Purple
8. Titanium White

Hog / Bristol Paint Brushes. Flat 3/4" to 1", round #6, filbert or bright #10 – or any larger brushes you currently have available. A range of two to three larger brushes. Flexible on size.

Masking Tape. 1" or wider masking or painting tape to secure paper to painting board.

Palette. Paper plates work great. The plain, cheap kind (no Styrofoam.). Or, bring what you normally use (no glass).

Water Container. For rinsing paint brushes.

Painting Rags. Cloth works best.

Water. To drink! Remember that we will be painting outside if weather permits.
