Supplies:

- 2 substrates- watercolor paper, panel or canvas. If using paper, pre-prime it with gesso so the paint won't sink into it. Size suggestions- no smaller than 12x12 no bigger than 24 x24. They don't have to be the same size.
- Acrylic paint- Bring your favorites- I use Golden Fluid, but any acrylic will do. Minimum colors- White, yellow, blue and red. A warm and a cool of each primary works well.
- brushes- A variety of sizes. Make sure one is at least an inch wide. (Hardware store bristle brushes are fine.
- water containers (2) I use small buckets

- sharpened pencil
- paper towel and or paint rags
