#### Materials List

There is no materials charge. However, students who wish to make their own basic PLART piece need to bring the following:

- an everyday iron (iron will not get ruined)
- a paperback book
- a roll of parchment paper
- as much plastic as they can gather (the more, the better!). For instance: bags newspapers are delivered in; grocery bags; shopping bags; vegetable bags; diaper packaging; bubble wrap; etc.

Start hoarding it now. Make Art! Not Landfills!
